About myHappymind

myHappymind is an award winning, whole school and nursery curriculum. It teaches children preventative habits that support positive mental health, resilience and self esteem.

Taught to every child in a school from Early Years through to Year 6, myHappymind is delivered via an innovative technology platform making learning easy and fun.

All of the concepts we teach are based in science and research and grounded in neuroscience and positive psychology.

We are passionate about supporting teacher wellbeing too and so all schools using the program have access to a teacher wellbeing program.

We are also proud to support parents and carers by providing them with a free app to continue the learning at home. You can learn more about how to access the app in this document.

To learn more: Check out our founder
Laura Earnshaw's book, ['My Happy Mind'](#).

Relate

We have just come to the end of the Relate module in the myHappyMind programme. The children learned so much through this module including:

- Why relating to others is so important.
- How Active Listening can help us to build relationships with other people.
- How to see things from a different perspective.

Why not ask your children to tell you what they have learnt. Here's some questions to help you:

- What is Active Listening? Can you tell me about the Active Listening checklist?
- Can our Character strengths help us relate and get along with others?
- Why is it important to listen to others and see things from their perspective?

Support your child at home:

Log onto the parent app for more information about the Relate module and how you can support your child at home.

There are lots of activities you can do together at home including listening to the story and song, plus much more.

To access these materials just go to <https://myhappymind.org/parent-resources> and enter your name, email, and authentication code.

Your authentication code is Type code here .

What's up next?

The last module is called Engage. Here we will be learning all about how when we feel good, we do good and how setting goals and dreams can help us achieve more.

Log onto the parent app for more information about the Engage module and how you can support your child at home. There are lots of activities you can do together at home too!

You can sign up with the app here by <https://myhappymind.org/parent-resources>.

Want to learn more about the science of happiness?

BY LAURA EARNSHAW

My Happy Mind is the first book from our founder Laura Earnshaw. The book reveals all the science-backed secrets used in our curriculum to empower and educate parents - whether your child is struggling already, or you're interested in future proofing their mental health, there's something in here for everyone.
